

Hands-on: DIY traditional Portuguese bread

This experience will take place at the restaurant I usually take guests for lunch. This includes preparing the dough the old-fashioned way, taking it into the wood stove and of course, tasting the delicious bread at the end.

This experience will be followed by lunch at the restaurant and having the traditional bread with the meal.

What's included? 45 minutes with a professional baker and tasting of your creation.

What's not included? Meals & Drinks not mentioned, Souvenirs...
